Commissioner for Patents

The Information Disclosure Statement references filed 1-24-06 were considered at the time of allowance (3/27/07) and the initialed/signed/dated Form PTO/SB/08a is being sent herewith. The WO reference (WO 97/00693, '97) is Applicant Walsh's own work, published after Applicant's earliest effective filing date ('96). The other reference (US 5,039,660) does not reasonably teach/suggest a combination of a GnRH, lecithin, and stearin composition w/ specific ranges thereof, or motivation to arrive at the same. Nor does the prior art of record generally as to present claims 20-30, based on an updated search of the art.

## Conclusion

Claims 20-30 were and remain allowed.
